#### [...] 5. Authorized Use of Licensed Materials

The Licensed Materials may be used by Authorized Users exclusively for purposes of research *and/or* educational and non-commercial use as defined in the Agreement(s) and in compliance with the limitations listed in these GLT.

The number of permitted concurrent Authorized Users is specified in the Agreement(s).

Request for authorization outside of the provisions granted may be submitted to the Licensor for consideration in Licensor's sole discretion.

The source of Licensed Materials must always be duly cited.

The Licensed Materials may be used within the territory of the United States by Authorized Users for non-commercial Fair Use in accordance with Section 107 of the U.S. Copyright Law (Title 17, U. S. Code).

#### 6. Restrictions

All rights not expressly granted by the Licensor are hereby reserved. The Licensee and its Authorized Users are expressly forbidden to:

- a) Translate, adapt, rearrange or otherwise modify the Licensed Materials;
- b) Re-use all or part of the Licensed Materials to create derivative works;
- c) Grant access to the Licensed Materials to subjects other than Authorized Users including but not limited to sublicensing the Licensed Materials;
- d) Exploit the Licensed Materials either directly or indirectly for profit or other economic or commercial purposes;
- e) Modify, integrate or update Licensed Materials;
- f) Bypass the technological protection measures and/or the digital rights management systems (if any) of the Platform and the Licensed Materials;
- g) Systematically print or download, manually or with automated systems, substantial parts of Licensed Materials;
- h) Disseminate to third parties all or part of Licensed Material in a manner or magnitude as to act as are placement for the recipient's or recipient institution's

own subscription or purchase of the relevant Licensed Material;

i) Include Licensed Material into course-packs without Licensor's authorization.

## 7. Licensee Performance Obligations

a) Licensee undertakes not to violate the Licensor's and/or the Publisher's rights to the commercial use, publication or other legal rights relating to the Platform and the Licensed Materials;

b) Licensee shall use reasonable efforts to provide Authorized Users with appropriate notice of the terms and conditions under which access to the Licensed Materials is granted under these GLT and relative Agreement(s), including any limitation on access or use of Licensed Materials as set forth in these GLT and relative Agreement(s);

c) Licensee shall not knowingly permit anyone other than Authorized Users to use the Licensed Materials nor shall Licensee knowingly permit any unauthorized use of Licensed Materials;

d) Licensee undertakes to inform the Licensor immediately of any violation of which Licensee becomes aware and to immediately take reasonable measures necessary to protect the Licensor's and/or Publisher's rights to the Licensed Materials;

e) On being informed by the Licensor of a possible violation of Licensed Materials the Licensee undertakes to immediately proceed with any appropriate verification and to take reasonable measures necessary to prevent the continuation of the violation;

f) In any case, the Licensee shall not knowingly permit Authorized Users to jeopardize the economic interests of the Publisher and/or Licensor and the Licensed Materials and/or Platform;

g) Furthermore, the Licensee shall not perform any operations that may affect the normal management of the Platform or cause any unjustified damage to the Licensor and/or the Publisher of the Platform and/or the Licensed Materials. [...]

## Amendment to License Agreement

5. Authors from the group of Contractually Defined Users may be granted permission free of charge to store their articles from "Faenza" which are part of the Licensed Material in the form published by the publisher (e.g. PDF) in an institutional or discipline-specific repository of their choice and to make them

available in Open Access. The permission needs to be requested and confirmed by the Publisher in writing. The same permission may be granted to Institutions to which the respective authors are affiliated. Articles written by authors from the group of Contractually Defined Users may also be stored by the Publisher in a repository. The permission needs to be requested and confirmed by the Publisher in writing. [...]
